Students' feedback

“

My school lessons and this life are finished! I can't believe it...Time flies!! Before I came to Malta, I thought 4 months was pretty long time! But it was not. Too short. I'm gonna miss my Malta life and also all my Malta friends! I'm so lucky to meet you guys and I was really happy to make good memories here. I hope we'll all meet again! Thank you for everything and IELTS Malta is the best school of English! Seriously, gonna miss everything so much. I love you all, love Malta. Bye Malta!" Soyoun, South Korea

“

"When I arrived in Malta, I couldn't imagine living 3 months in another country. Today, I can't believe everything is over. Time flies. Malta, thank you for being a second home. IELTS Malta, thank you for providing the best experience. My friends, thank you for all the moments we spent together. You are a second family for me. I am really grateful for everything I've lived. I hope we'll meet again. I'm already missing all. I'll never forget this amazing experience." Yasmin, Brazil

"It was a great time at the language school IELTS Malta! Despite the Covid-19 situation you can make a lot of experience and have fun on trips with the school. I recommend a visit to Malta and the school to everybody!" Korbinian, Germany

“

All good and bad things must come to an end! And with it, the value of good moments is only increasing. My study at IELTS Malta was an unplanned event in my life, but that didn't make it any less interesting or pleasant. For a language school student, I had a long stay at school. A lot of faces have changed around me. Nevertheless, I will never forget whom I met - my teacher Jake and my classmates. I believe that, some day, the universe will deign to let us cross paths again!" Kristina, Russia

“

"The first thing I want to say is thank you for everyone who participated in my journey. Every moment, every hug, every laugh and every conversation is going to stay in my memory forever, I will never forget about it, my friends. Finally, I must give a special thanks for my first teacher, my friend Francesco. It was the most important travel of my life, absolutely. I hope to see you again." Gustavo, Brazil

Kseniya, Russia

“

"I really enjoyed studying at IELTS. I think it's the best experience of my entire life. The school is amazing, the atmosphere is very comfortable, I could meet people from different countries. My teacher Lorena was prepared, she is amazing. I really recommend others to live this experience!"

“

"If we want to grow and learn, we can't do it by staying within our comfort zone, but we necessarily have to get out of it, exploring new possibilities, accessing new information, and developing new thought patterns. Thanks to all my fellow travelers, you will always have a special place in my heart!"
Giulia, Italy
