PROGRESS AND LEVEL CHART

The chart below shows the progress you can make with a Kaplan language course. On arrival at your school, you will be given a proficiency test to enable our staff to place you in the correct class for your language level. Regular progress tests during the course will then allow your teachers to monitor your level of improvement.

Length of study in weeks (Intensive English)*

*Please note that 10 weeks per level is just a guide to average progress rates on an Intensive English course. We cannot guarantee an exact period of study over which specific language goals can be attained.

NOT SURE IF YOUR ENGLISH IS GOOD ENOUGH?

Kaplan International will help you determine what your English level is before you leave your home country! We will tell you how many course weeks you need to meet your chosen institution's minimum level requirement, so don't wait!

Part of University Placement Service is a free Pre-Arrival Test to determine your level of English. Based on this assessment, Kaplan can estimate the time you need to improve your English to the required level for admission into university or college.

HOW TO APPLY

Students can apply before or after their English course start date. However, there is a minimum of 8 weeks' enrollment required. If you know before arriving at Kaplan that you want to apply for UPS, we'll start helping you right away. If you decide to use UPS once you arrive, you'll sit down for an information session with an advisor who will take you through all the steps.

1. Send the completed UPS inquiry form along with a copy of your transcript to your Kaplan Representative
2. Receive a personalized list of programs at partner institutions and help selecting one based on your English level, grades, future objectives, and preferred study location
3. Choose your university or college and let your Kaplan Representative know
4. Kaplan International will apply to one of the partner institutions on your behalf
5. Receive your Conditional Letter of Acceptance (CLA); this may take 4-12 weeks to receive.
