WHY TAMWOOD ?

Canada: The Land of Opportunity

Canada has a rapidly growing economy with incredible opportunities to work and do business. Toronto, Vancouver & Whistler are multicultural, and among the most liveable cities in the world.

Work Experience in Canada

Gain Canadian work experience while you are enrolled in one of our co-op programs. You will practice the knowledge you have learned in class, develop professional contacts within the industry and enhance your résumé while studying.

Start your path to Canadian immigration

Under the block course transfer agreements that Tamwood has with several Canadian public colleges and universities, you can transfer some or all of the courses you took at Tamwood Careers to the partner institution thus saving you tuition fees and study time at the partner institution.

Academic Counselling

Tamwood students and graduates have access to FREE academic counselling. If you are planning to continue your education at a Canadian college or university, a pathway specialist will help you find the right program and school. Services include a personalized study plan, university application support and free pathway tours.

Accommodation

There are several housing options to fit your profile, lifestyle and budget. You will receive support before and during your stay with either a homestay family or in a student residence. Airport pick-up and drop-off services are also available. Visit www.tamwood.com/ to learn more.

Amazing Instructors

The Instructors at Tamwood are leading industry professionals with extensive knowledge and expertise in their field. They bring to the classroom a passionate, hands-on approach to learning through practical application of the material.

Improve your Business English Skills

Enhance your professional writing skills and enrich your business English vocabulary. Develop public speaking and presentation skills that will help you feel comfortable to give speeches and attend seminars in English.

Earn a Canadian Diploma

Secure your future with a widely recognized diploma in the fields of Business, Technology, Entrepreneurship, Hospitality & Tourism.

CANADA: THE LAND OF OPPORTUNITY

About the Programs

Globalization and emerging technologies are ever-changing business opportunities and effective management styles. Learn the skills you need to succeed in business management in an international context. In this program, you will explore a broad range of business basics and management fundamentals. Courses include global business, workplace communications, finance, marketing, human resources, international trade, and project management.

This program fosters development of effective management skills including critical thinking, creative problem solving, communication, organization, and leadership. A special emphasis is placed on the communication skills required to succeed in the Canadian and International work environment, as well as learning to manage and lead in the increasingly multi-cultural and technology-driven marketplace.

Co-op

Diploma program students complete a co-op education work placement that starts on completion of the study term. Co-op positions are typically entry level to get you working from the ground up. Work placements may be available in: Vancouver, Whistler, Toronto and other areas in British Columbia, Alberta and Ontario. You will receive assistance and tools to help you find work and start earning income fast! Our work placement coordinators work with you to connect you with employers and great jobs and they stay connected and support you through your entire program.

Capstone Project

The Capstone Project is an academic project in which students select a topic that relates to both their studies and their field of work. This is submitted in the form of a final written report or presentation. In selecting and working on their project, students will practice critical thinking, solving challenging problems, and developing skills such as oral communication, research skills, planning, self-sufficiency, and goal setting—valuable skills that are sought after by employers!

Admission Requirements

- Minimum Age: **18 Years**
- Education: Toronto applicants must provide a copy of an Ontario Secondary School Diploma (OSSD) or have passed the Wonderlic Scholastic Level Exam with a Cut Score of 16. Contact Us if you like to take the Wonderlic Exam.

- Weekly career prep classes
- Career labs

Weekly "ready to work workshop"

Support Tamwood students' first steps into their Canadian career journey and support students in finding their "CASUAL JOB" (not co-op job).

Students will explore important topics such as the job search, building a strong standard Canadian resume, cover letters, interviews, scams, etc.

Weekly career prep classes

Students receive a 2nd career class workshop, but this time, industry specific and based on their field of study. This workshop is designed to support career students to get their co-op job.

The CPC workshop is mandatory for students in their second course, students on their co-op term are also welcome to join!

Career Lab

Students receive assistance from the co-op department in the Career Lab which is an open space for students to ask questions, to sharpen and personalize their resume, portfolio, cover letter, attend events, activities and additional workshops (such as LinkedIn Workshop).

All career students can join the Career Lab in both their study and co-op term.

"Thank you so much Tamwood, it was a unique experience. You can meet here new people from all over the world. The teachers, everybody in the school, they're gonna help you when you're new here, and with time, you start to know everything. And again, thank you so much for everything. I really enjoyed it!"

UNIVERSITY TRANSFER PROGRAM

Tamwood Careers students who want to further their Canadian education at a Canadian public college or university have the option to apply to one of our pathway partners for admission with advanced standing. Tamwood has entered into articulation agreements with several public institutions and a private university in Canada that allow for a block transfer of courses from Tamwood Careers to the public institution/private university.

PATHWAY PARTNERS

Contact Tamwood Careers for more information on the Tamwood Careers programs that articulate to public colleges and private universities and for the admission requirements for these partner institutions.
