INTO Annual Student Experience Survey 2023

UWA College is your pathway to studying at The University of Western Australia (UWA) – a world top 100 university\* and a member of the prestigious Group of Eight.

## ABOUT UWA COLLEGE

Everyone’s pathway to university is different, which is why UWA College provides a range of options to start your journey towards studying at UWA and achieving your career goals.

With UWA College, you’ll get to experience all that student life at UWA has to offer, while you build your academic and language skills in a supportive and interactive learning environment.

Our pathway programs help you adjust to life in Perth and develop the necessary study skills to succeed at UWA. Our programs are a great option if:

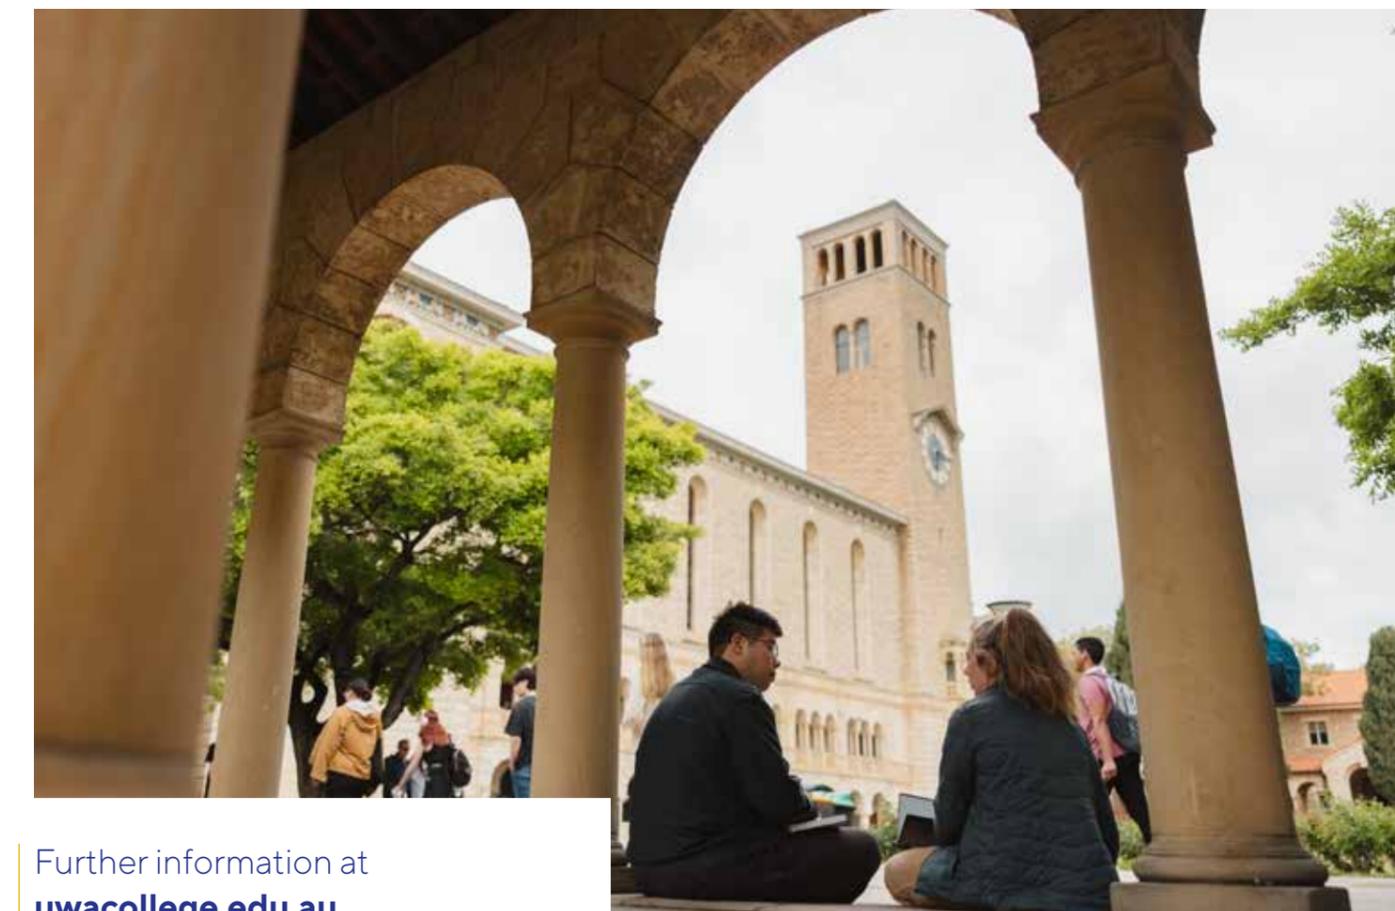

- you need some help improving your English language skills
- you don’t currently meet the direct entry requirements for UWA and need some additional academic support
- you’ve just graduated from high school and need some additional support to make the transition to university.

## WHY STUDY AT UWA COLLEGE?

- Guaranteed place at UWA\*\*.
- Programs designed in collaboration with UWA.
- Tailored academic programs to prepare you for undergraduate study.
- English language support.
- Expert teachers, academic liaison and support staff.
- Experienced Student Services team to help with everything from accommodation to your university application.
- Study at UWA’s Perth campus.
- Access to UWA facilities.
- Smooth transition to university.

## THE INTO ADVANTAGE

A partnership between UWA and INTO University Partnerships, UWA College adopts the INTO model for teaching excellence and extra curricula support. As a UWA College student, you’ll benefit from INTO’s 15+ years’ experience delivering expert programs and assisting students to achieve their career aspirations.

# Discover Perth

Australia's 4th largest city, Perth is friendly, welcoming and offers an unbeatable student lifestyle. With UWA's picturesque campus located along the Swan River, you'll be within easy reach of Perth's city centre, pristine beaches and thriving social scene. Get ready to discover a vibrant and culturally diverse destination that's perfect for studying, living and launching your future career.

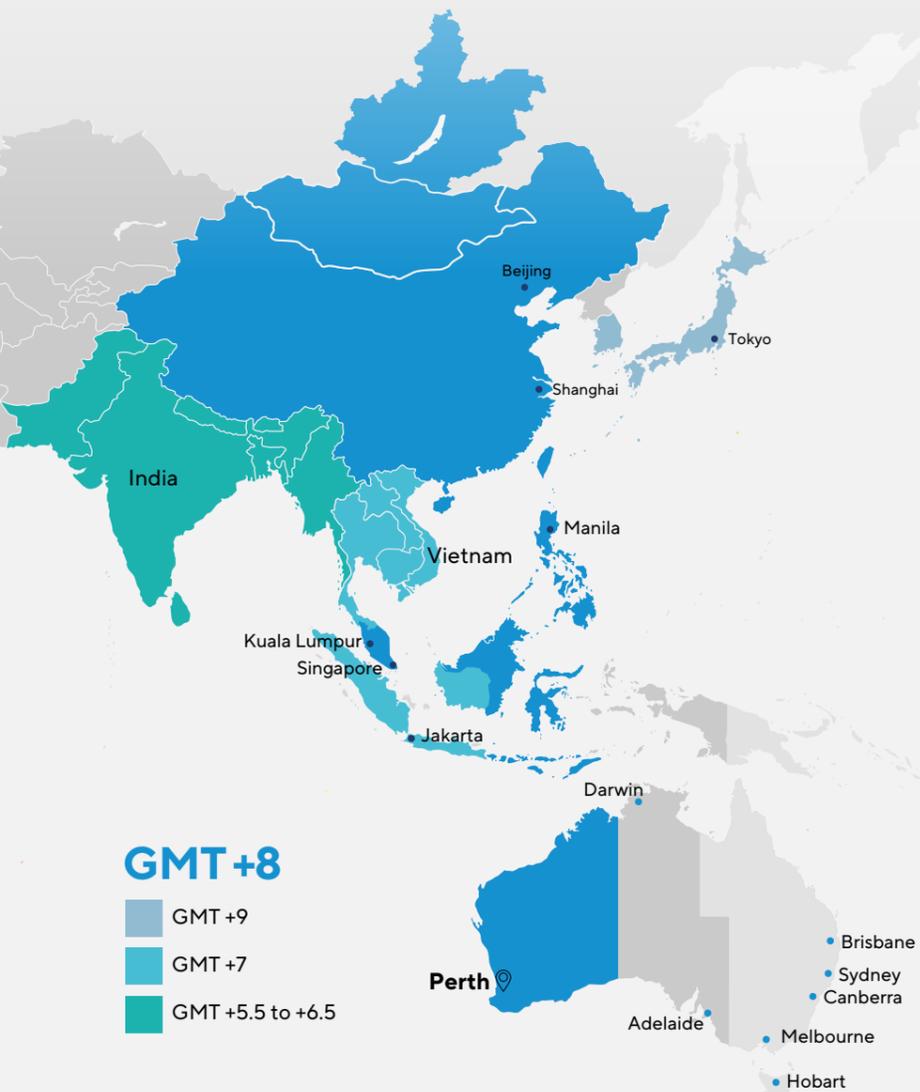

## PERTH

IS THE 12<sup>TH</sup> MOST LIVEABLE CITY IN THE WORLD

Global Liveability Index 2023, Economist Intelligence Unit

Discover life in Perth  
[instagram.com/uwacollege](https://www.instagram.com/uwacollege)

## AUSTRALIA'S GATEWAY TO ASIA

**Closest major Australian capital city to Asia** – same time zone as 60% of the world's population (+/- two hours).

**Globally connected** – regular, direct flights to Hong Kong, Tokyo, Singapore and many more cities.

“Perth is affordable, safe, spacious and multicultural. Although moving to a new city seems overwhelming, remember that you're not alone. Don't hesitate to ask for support, especially from UWA College as they're always there to support you.”

**GRACE**  
 MYANMAR  
 DIPLOMA IN SCIENCE

## LAUNCH YOUR CAREER

Perth's unique position in Western Australia makes it the ideal location for global industry and business.

**Career opportunities on your doorstep** – a third of Australia's ASX-listed companies are based in Western Australia.

**Industry expertise** – Perth is home to more than 100 resources and energy companies and eight of the world's 14 largest international energy and mining companies.

**Work while you study** – as an international student in Perth, you can work up to 48 hours per fortnight while studying.

**Post-study work rights** – you could receive a post-study work (PSW) visa of up to six years\* on the completion of your studies when living and working in Perth. This is one year longer than Sydney, Melbourne and Brisbane.

\*Additional two years of PSW visa valid for eligible courses only. Course details via the Department of Home Affairs.

## QUALITY STUDENT LIFESTYLE

**Lower cost of living** – Perth is cheaper than Sydney and Melbourne (Worldwide Cost of Living Survey 2022, Economist Intelligence Unit).

**Travel savings** – 40% discount on all public transport for international students or travel for free with the Purple CAT, linking the UWA campus to Perth City.

**The perfect student city** – Perth has been in the top 50 student cities for the last eight years (QS Best Student Cities 2014-2023) and is the most liveable metropolitan location in Australia (Ipsos' Liveability Index 2021).

For more information on post-study work rights **scan the QR code**

## FOOD (PER WEEK)

Groceries and eating out  
**AUD \$140-\$280**

## PUBLIC TRANSPORT (PER WEEK)

**AUD \$30-\$60** depending on number of journeys (based on a prepaid Tertiary SmartRider card with 40% international student discount)

## ENTERTAINMENT (PER WEEK)

**AUD \$80-\$150**

# Support and wellbeing

Students are at the heart of everything we do at UWA College, so you can rest assured you'll be provided with a fantastic range of student-centred support. When you arrive at UWA College, the Student Services team will help you settle into student life in Perth and remain your first point of contact for any additional support you may need.

## ORIENTATION

You'll take part in an orientation program in the week before your studies start to give you the chance to meet other students, help you settle in and give you all the information you need to be successful at UWA College. During Orientation, you'll:

- be shown around the UWA Perth campus
- gain academic insights
- have your questions answered
- attend social events.

"The staff at UWA College are super supportive and made us international students feel at home. During Orientation, the programs were well thought out and the UWA College community were really friendly and cheerful."

**ISABELLE**  
MALAYSIA  
UWA FOUNDATION PROGRAM

### UWA College academic liaison

Your academic liaison will be there to help with any academic questions and support your success throughout your studies. They'll help you settle into life at UWA College, monitor your academic progress, and can refer you to additional academic and welfare support if needed.

### University academic support

As a UWA College student, you'll also benefit from UWA's academic support services, including study skills workshops (STUDYSmarter) and extensive online resources and more.

### Wellbeing support

At UWA College, we offer tailored support during your student journey. You'll have access to our dedicated Student Support team, a range of welfare and mental-health practitioners and a 24-hour telephone helpline for out-of-hours emergency support.

### Health and medical

With a medical centre and pharmacy on campus, access to confidential health advice is easy.

### Welcome Desk

Drop by our Welcome Desk anytime. You don't need to make an appointment and there's always someone available to listen and help with whatever issues you may be facing.

### Safety

24/7 on-campus security team and access to a free safety app, SafeZone.

### Under-18 support

We understand that students under 18 need extra care and support. If you're under 18, we've got you covered and have a bespoke U18's team at UWA College who specialise in assisting students to settle into life in Perth.

### Career support

Personalised career advice, industry mentoring, online resources, networking events, workshops and more.

### International Student Lounge

A safe space on campus for all international students at UWA to connect and find support.

- Road trip wall featuring photos and articles of student road trips in Western Australia.
- Free merchandise such as reusable coffee cups, bags and snacks.
- TV to hook up your laptop to watch Netflix.

# Your vibrant campus

When you're studying at UWA College, you'll be attending classes in the centre of all the action at UWA's Perth campus. Classes at UWA College are designed to maximise teacher-student interaction, with class sizes kept to a minimum for more personalised support.

You'll get to experience:

- modern classrooms where you'll be taught in university-style seminars and lectures
- science-based classes will be taught in the university's high-tech laboratories
- open, social study areas where you'll learn how to self-study and collaborate
- experienced teachers and academic liaisons who will help monitor your progress
- the UWA College Welcome Area, where you can chat to friends and teachers, get support or spend some time studying
- student support with help and guidance from our dedicated Student Services team.

## CAMPUS LIFE

As a UWA College student, you'll get to immerse yourself in the UWA Perth campus.

With a lively cultural scene, including places to eat, drink and shop, the UWA campus is more than a university – it's like its own vibrant city.

### Student clubs and societies

Share your passion or try something new at one of more than 160 clubs and societies.

### Sport and fitness

Get active with UWA Sport's state-of-the-art gym, swimming pool, fitness courses, social sports and more.

### Food and drink

Discover a range of cafés and food outlets on campus and in the neighbourhood, with global cuisines and options for every budget.

### Spirituality and faith

UWA College and UWA welcome students with diverse cultural and spiritual backgrounds and offer a range of facilities and services that support you in practising your faith.

### Arts and culture

Visit UWA's on-campus art galleries, explore museums and enjoy live music.

## UWA'S WORLD-CLASS FACILITIES

At UWA, you'll find modern teaching and research facilities plus real-life learning environments set amongst beautiful green spaces.

Take a virtual tour of the campus

### 1. UWA HEALTH CAMPUS

Specialist teaching and learning facilities for health and medical students, with two major public hospitals on site.

### 2. EZONE UWA BUILDING

World-class learning space for engineering and mathematical science students.

### 3. FINANCIAL MARKETS TRADING ROOM

The Rosemarie Nathanson Financial Markets Trading Room is a state-of-the-art trading and analysis centre, with 50 financial terminals and access to real-time data from more than 400 global markets.

### 4. BAYLISS BUILDING

Home to the School of Molecular Sciences, this thriving centre for world-class research and teaching has advanced labs on every level.

### 5. SPECIALIST LIBRARIES

Five libraries, including subject-specific libraries conveniently located across campus. Next door to UWA College, UWA's Reid Library offers more than 2,000 study spaces.

# Living at UWA

Find the perfect place to call home with our range of accommodation options. From on-campus living to Perth city purpose-built housing, we have somewhere to stay that will suit you. All are safe and welcoming, leaving you free to enjoy your time at UWA College to the fullest.

ST GEORGE'S COLLEGE

## UWA ACCOMMODATION OPTIONS

Living on, or close by, the UWA campus will give you the ultimate university experience. You'll be near classes, student facilities, shops and cafés. Whatever you're looking for, we'll help you find the right experience for you. Choose from:

- **Five on-campus residential colleges**, each with their own unique communities.
- **Perth city student accommodation**. These modern buildings are in Northbridge, right in the heart of Perth's cultural hub.
- **UWA off-campus living**. If you prefer a more independent lifestyle, or would like to experience a family environment, you can choose to rent privately or stay in homestay.

## On-campus residential colleges

Just a short walk from UWA College, you'll find College Row – a welcoming student community of five residential colleges. Conveniently located opposite UWA's main campus in Perth, you'll only be a few minutes from your classes. Plus, with public transport right on your doorstep, getting to the city, beach and Perth's best shopping and nightlife areas is also quick and easy.

Each of the five residential colleges in College Row also offer:

- a packed calendar of academic support, social and sporting events
- free gym membership, plus access to chill-out zones, music rooms and study spaces
- meal plans, Wi-Fi and all your utilities included.

## Perth city accommodation

Experience urban living in a range of modern apartments – and still easily get to the UWA campus, just a 20-minute bus ride away.

## Homestay

Staying with a local host, you'll get to experience all that Perth has to offer in a supportive and safe home environment. You'll have a private room whilst sharing living spaces and sometimes meals.

## RENT (PER WEEK)

On campus  
**AUD \$350-\$690**  
City accommodation  
**AUD \$200-\$517.15**  
Homestay  
**AUD \$300-\$402.50**

## UTILITIES AND WI-FI (PER WEEK)

On campus **Included**  
City accommodation **Included**  
Homestay **Included**

Please note the prices shown are indicative only and correct as of July 2023.

UNIVERSITY HALL

"The homestay I live in is fantastic. My homestay parents really care about me, and they often ask how I'm feeling and make me feel comfortable and at home. The most important part of this is... the delicious food!"

# Choosing your course

UWA College's pathway programs are tailored to provide international students with support and additional academic and English language guidance, helping you meet the requirements for entry to UWA.

As UWA's own pathway provider, when you study with UWA College you guarantee\* your place at UWA with direct pathways into the first or second year of a range of UWA undergraduate degrees.

## Academic courses

# English language courses for pathway programs

## Language and Communication Essentials

UWA College English language courses are provided by The Centre for English Language Teaching (CELT) at UWA. If you need to improve your English skills for a pathway program, CELT offers high-quality English language tuition in a supportive and friendly environment.

### How can I improve my English skills?

CELT's Language and Communication Essentials program is designed to improve your English language skills and prepare you for further academic study at UWA College. This language program can be packaged with your chosen UWA College pathway and UWA degree, giving you everything you need under a single study plan and visa – so you won't have to take another language test on completion.

### When can I start?

Language and Communication Essentials is taught in five-week modules throughout the year. This gives you flexibility on when you start, allowing you to finish the course in time to enrol on your academic program.

### What will I learn?

You'll learn English skills through:

- discussing interesting topics and taking part in conversations
- reading and understanding English texts
- writing clearly and accurately
- listening to different varieties of spoken English
- learning how to use correct grammar and vocabulary.

Registration: Language and Communication Essentials Program  
CRICOS: 029726A

## English language entry requirements

"Our programs at UWA College will help set you up for success at UWA and beyond. Our team of highly qualified staff deliver engaging classes and personalised academic support to help you to develop the academic and study skills necessary to pursue your university qualification. With our classes delivered from the heart of the UWA campus, we help you feel at home from the start of your studies with us."

**Kate Gresham,**  
Academic Director, UWA College

\* Subject to meeting the minimum course entry requirements and any additional selection criteria set by UWA

## UWA Foundation Program

Choose from 350+ majors.

Designed specifically for international students, the UWA Foundation Program prepares you for a seamless transition to your first year at UWA. In a supported learning environment at the heart of UWA's Perth campus, you'll develop confidence in communicating academic matters, improve your English language skills and learn subject-specific knowledge to help you thrive in your studies at UWA.

### What will I study?

#### You'll study all of these core units:

Advanced Integrated Language Skills ENX0003 (6 credits) – 12 months only	EAP Part 2 (Critical Thinking and Communication) SKLX0002 (6 credits)
Australian Society ANTX0407 (6 credits)	Mathematics Fundamentals MATX0720 (6 credits) – 12 months only
Contemporary World Issues POLX0001 (6 credits)	
EAP Part 1 (Academic Skills for Foundation Studies) SKLX0001 (6 credits)	

#### Plus a choice of elective units:

Foundation Biology BIOX0001 (6 credits)	Introduction to Economics ECOX0101 (6 credits)
Foundation Chemistry CHEX0003 (6 credits)	Mathematics Foundations: Methods MATX0721 (6 credits)
Foundation Computing CITX0001 (6 credits)	Mathematics Foundations: Specialist MATX0722 (6 credits)
Foundation Physics PHYX0030 (6 credits)	Mathematics Fundamentals MATX0720* (6 credits)
Introduction to Business and Accounting ACCX0101 (6 credits)	Media and Communication COMX0001 (6 credits)

You'll need to earn a total of 72 credits to complete the 12-month program, or a total of 48 credits to complete the 8-month program.

### UWA Foundation Program progression options

The UWA Foundation Program offers students progression to all undergraduate courses at UWA. On the successful completion of your UWA Foundation Program, you could progress to a range of UWA courses, including:

**Comprehensive degree:** choose one or two majors from a wide range of offerings, then add electives and/or a minor to suit your interests and career goals.

**Specialised degree:** take an extended major with a carefully designed study plan to give you in-depth knowledge of your chosen career.

**Combined Bachelor's degree:** complete two degrees in just four years, one comprehensive and one specialised.

### Assured pathways

Successful UWA Foundation students are also eligible to apply for one of UWA's Assured Pathways. These pathways will increase your career opportunities in professional areas such as medicine, law, architecture and more, guaranteeing your place in the professional postgraduate degree of your choice at the start of your studies (subject to satisfactory performance in your Bachelor's degree). Combining an undergraduate and postgraduate degree, Assured Pathways typically have higher progression grades.

Scan the QR code or visit [intostudy.com/uwa/courses](http://intostudy.com/uwa/courses) to find out more about this program, including a full list of progression options.

\* For students who have not completed the equivalent of WA Mathematics Applications.

UWA College's Diploma programs prepare you for entry into the second year of your UWA undergraduate degree. With tailored academic and English language support, you'll study program material equivalent to the first year of a UWA Bachelor's degree, meaning you can still complete your undergraduate degree in the standard number of years.

## UWA College Diploma in Commerce

Choose from 11 majors.

Your pathway to the second year of UWA's Bachelor of Business or Bachelor of Commerce. Developing your business acumen and understanding of the modern business world, you'll be equipped with relevant and applicable industry skills across a range of areas, including economics, finance, marketing, communications, law and more.

### What will I study?

You'll study all of these core units:

Academic and Communication Skills for Business ENGX1001 (6 credits) – 12 months only	Mathematics Fundamentals MATX1720* (6 credits)
Economic and Business Statistics STAX1520 (6 credits)	Microeconomics: Prices and Markets ECOX1101 (6 credits)
Financial Accounting ACCX1101 (6 credits)	Organisational Behaviour MGMX1135 (6 credits)
Introduction to Marketing MKTX1203 (6 credits)	Professional and Academic Communications ENGX1002 (6 credits)

Plus a choice of elective units:

Computational Thinking with Python CITX1401 (6 credits)	Macroeconomics: Money and Finance ECOX1102 (6 credits)
Consumer Behaviour MKTX1204 (6 credits)	Management and Organisations MGMX1136 (6 credits)
Introduction to Finance FINX1221 (6 credits)	Mathematics Foundations MATX1721 (6 credits)
Introduction to Law LAWX1104 (6 credits)	

You'll need to earn a total of 54 credits to complete the 12-month program, or a total of 48 credits to complete the 8-month program.

## UWA College Diploma in Computer and Data Science

Choose from 3 majors.

Your pathway to the second year of UWA's Bachelor of Science, majoring in Computer Science, Cybersecurity or Data Science. Offering a broad range of subjects across programming languages, data analysis, and network security, you'll have the added flexibility of being able to study business units to expand your career potential.

### What will I study?

You'll study all of these core units:

Academic and Communication Skills for Science ENGX1003 (6 credits) – 12 months only	Introduction to Cybersecurity CITX1003 (6 credits)
Communicating Science ENGX1004 (6 credits)	Mathematics Foundations MATX1721* (6 credits)
Computational Thinking with Python CITX1401 (6 credits)	Relational Database Management Systems CITX1402 (6 credits)
	Statistics for Science STAX1400 (6 credits)

Plus a choice of elective units:

Human Biology 1 ANHX1101 (6 credits)	Introductory Chemistry CHEX1003 (6 credits)
Human Biology 2 ANHX1102 (6 credits)	Molecular Biology of the Cell SCIX1106 (6 credits)
Introduction to Finance FINX1221 (6 credits)	Organisational Behaviour MGMX1135 (6 credits)
Introduction to Marketing MKTX1203 (6 credits)	Research Project – Science SCIX1001 (6 credits)

You'll need to earn a total of 54 credits to complete the 12-month program, or a total of 48 credits to complete the 8-month program.

\* For students who have not completed the equivalent of WA Mathematics Specialist.

## UWA College Diploma in Engineering

Choose from 9 majors.

Your pathway to the second year of UWA's Bachelor of Engineering (Honours). You'll spend the first 1 or 2 trimesters of your Diploma building your academic and English study skills, while improving your maths and physics knowledge. Then, you'll join first-year UWA engineering students in your final trimester as you study the same university subjects alongside them for a truly integrated experience.

### What will I study?

You'll study all of these core units:

Academic and Communication Skills for Science ENGX1003 (6 credits) – 14 months only	Mathematics Foundations: Specialist MATX1722* (6 credits) – 14 months only
Introduction to Engineering GENX1010 (6 credits)	Multivariable Calculus MATX1011 (6 credits)
Introductory Chemistry CHEX1003* (6 credits)	Physics Bridging Unit PHYX1030* (6 credits)
Mathematical Theory and Methods MATX1012 (6 credits)	Professional and Academic Communications PACX1100 (6 credits)

Plus a choice of elective units:

Chemistry: Properties and Energetics CHEX1001 (6 credits)	Engineering Drawings GENX1101 (6 credits)
Computational Thinking with Python CITX1401 (6 credits)	Engineering Materials ENSX1004 (6 credits)
Digital Systems ELEX1303 (6 credits)	Mass and Energy Balances CHPX1005 (6 credits)
Earth Systems Engineering GENX1014 (6 credits)	Organisational Behaviour MGMX1135 (6 credits)
	Physics for Scientists and Engineers PHYX1001 (6 credits)

You'll need to earn a total of 54 credits to complete the 14-month program, or a total of 48 credits to complete the 10-month program.

## UWA College Diploma in Science

Choose from 10+ majors.

Your pathway to the second year of UWA's Bachelor of Science or Bachelor of Biomedical Science. Develop essential academic skills across scientific communication, data analysis, and research methods through exploring cutting-edge scientific concepts and technologies. Choose from a wide range of science-related subjects, including anatomy and physiology, chemistry, mathematics, and more, to further align your studies with your career aspirations.

### What will I study?

You'll study all of these core units:

Academic and Communication Skills for Sciences ENGX1003 (6 credits) – 12 months only	Communicating Science ENGX1004 (6 credits)
	Mathematics Fundamentals MATX1720** (6 credits)

Plus a choice of elective units:

Chemistry – Properties and Energetics CHEX1001 (6 credits)	Introductory Chemistry CHEX1003 (6 credits)
Chemistry – Structure and Reactivity CHEX1002 (6 credits)	Mathematics Foundations MATX1721 (6 credits)
Computational Thinking with Python CITX1401 (6 credits)	Molecular Biology of the Cell SCIX1106 (6 credits)
Human Biology 1 ANHX1101 (6 credits)	Relational Database Management Systems CITX1402 (6 credits)
Human Biology 2 ANHX1102 (6 credits)	Research Project – Science SCIX1001 (6 credits)
Introduction to Cybersecurity CITX1003 (6 credits)	Statistics for Science STAX1400 (6 credits)

You'll need to earn a total of 54 credits to complete the 12-month program, or a total of 48 credits to complete the 8-month program.

# UWA College Diploma

## UWA College Diploma progression requirements

There are a wide range of Bachelor's degrees at UWA into which a Diploma program student can progress. The following information is intended as a guide only and is subject to change without notice.

For the most up-to-date information, visit: [intostudy.com/uwa/courses](http://intostudy.com/uwa/courses)

Major	Bachelor (Award)	CRICOS Code	Specific requirements	Average grade required for progression
Accounting	Commerce	003006C	All core units, FINX1221	50% pass mark in each unit
Anatomy and Human Biology	Science	068914G	ANHX1101, ANHX1102	50% pass mark in each unit
Automation and Robotics Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Biochemistry and Molecular Biology	Biomedical Science or Science	095001B / 068914G	CHEX1001, CHEX1002, CHEX1003, SCIX1106	50% pass mark in each unit
Biomedical Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Business Analytics	Commerce	003006C	All core units, MATX1721, CITX1402	50% pass mark in each unit
Business Law	Commerce	003006C	All core units, LAWX1104	50% pass mark in each unit
Business Management	Business	102866A	All core units, MGMTX1136	50% pass mark in each unit
Chemical Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Chemistry	Science	068914G	CHEX1001, CHEX1002, CHEX1003	50% pass mark in each unit
Civil Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Computer Science	Science	068914G	CITX1401, CITX1003, CITX1402, STAX1400	50% pass mark in each unit
Cybersecurity	Science	068914G	CITX1401, CITX1003, CITX1402, STAX1400	50% pass mark in each unit
Data Science	Science	068914G	CITX1401, CITX1003, CITX1402, STAX1400	50% pass mark in each unit
Economics	Commerce	003006C	All core units, ECOX1102	50% pass mark in each unit
Electrical and Electronic Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Enterprise and Innovation	Business	102866A	All core units, MGMTX1136	50% pass mark in each unit
Environmental Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Finance	Commerce	003006C	All core units, FINX1221	50% pass mark in each unit
Genetics	Biomedical Science or Science	095001B / 068914G	CHEX1001, ANHX1101, CHEX1003, STAX1400, SCIX1106	50% pass mark in each unit
Global Business	Business	102866A	All core units, MGMTX1136	50% pass mark in each unit
Human Resource Management	Commerce	003006C	All core units	50% pass mark in each unit
Management	Commerce	003006C	All core units, MGMTX1136	50% pass mark in each unit
Marketing	Commerce	003006C	All core units, MKTX1204	50% pass mark in each unit
Mechanical Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Microbiology and Immunology	Biomedical Science or Science	095001B / 068914G	ANHX1101, ANHX1102, CHEX1003, SCIX1106	50% pass mark in each unit
Mining Engineering	Engineering	106081B	All core units	50% pass mark in each unit
Neuroscience	Biomedical Science or Science	095001B / 068914G	ANHX1101, ANHX1102	50% pass mark in each unit
Pathology and Laboratory Medicine	Biomedical Science	095001B	ANHX1101, ANHX1102, CHEX1002, CHEX1003, SCIX1106	50% pass mark in each unit
Pharmacology	Biomedical Science	095001B	SCIX1106, CHEX1002	50% pass mark in each unit
Physiology	Biomedical Science or Science	095001B / 068914G	ANHX1101, ANHX1102, CHEX1003	50% pass mark in each unit
Software Engineering	Engineering	106081B	All core units	50% pass mark in each unit

## UWA College Diploma

Country	Qualification	Diploma in Commerce; Diploma in Computer and Data Science; Diploma in Science 8 or 12 months* Diploma in Engineering 10 or 14 months*
Australia	Year 12	ATAR 70
Bangladesh	Higher Secondary Certificate	Overall average of 65% in academic subjects
Brunei	GCE A Level	Total 5
Canada	Ontario Secondary School Diploma (OSSD) Grade 12 British Columbia Certificate of Education Grade 12 New Brunswick Matriculation (Adult High School Diploma; New Brunswick High School Diploma) Grade 12	Overall average of 65% over best 5 academic subjects Overall average of 60% over best 4 academic subjects Overall average of 65% over 6 subjects
China	Senior Middle 3 (Gao San) Gao Kao Maple Leaf World Schools Graduation Diploma	Overall average of 75% or above in 4 relevant subjects Overall average of 60% Overall average of 65% from the best six full credit year 12 courses
Gulf Cooperation Council (GCC) – Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, UAE	General Secondary Education Certificate (Al Thanawiya Al Aama)	Overall average of 85% in academic subjects
Hong Kong	Hong Kong Diploma of Secondary Education (HKDSE)	Aggregate of 11 points over the best 4 subjects from Category A and C
India	Year 12 (CBSE) (CISCE) Year 12 State Boards	Overall average of 55% in 4 academic subjects Overall average of 65% in 4 academic subjects
Indonesia	Sekolah Menengah Atas (SMA) 3	Overall average of 75% in 4 academic subjects
Japan	Kotogakko Year 3	GPA 3.0 and above in full curriculum (min grade 3 min Maths 1 or Grade 2 in Maths 2)
Kenya	Kenya Certificate of Secondary Education	Aggregate score of 56 over best 7 subjects
Malaysia	Sijil Tinggi Persekolahan Malaysia (STPM) Unified Examination Certificate (UEC) Senior Middle 3	Aggregate of 7 over best 3 subjects Aggregate score of 16 in academic subjects
Myanmar	Year 12 (National Matriculation Examination)	Overall average of 75% in academic subjects
Pakistan	Intermediate Certificate or Higher Secondary School Certificate (HSSC)	Overall average of 70% in academic subjects
Russia		Completion of first year at Undergraduate degrees with pass grade
Singapore	Singapore A Levels	Aggregate score of 4 points
South Korea	High School Equivalency Examination Certificate College Scholastic Ability Test (CSAT) High School Diploma/High School Certificate of Graduation	Overall average of 70% in relevant academic subjects Score no less than 280 Overall average of 70% in relevant academic subjects
Sri Lanka	Sri Lankan A Level	Aggregate score of 6
Taiwan	Year 12	Overall average of 75% in academic subjects
Thailand	Matayom 6	Minimum GPA of 2.5
USA	High School Diploma Scholastic Aptitude Test (SAT) American College Test (ACT) Advanced placement (AP)	High School curriculum GPA 2.0 1100 20 Total of 6 of the best 2 Advanced Placement (AP) examinations
Vietnam	Year 12	GPA 7.0
International Qualification	International Baccalaureate GCE A Level	Completion of IB Diploma with minimum of 21 points Total score of 5 from minimum 2 A Level subjects

Please note, the above list is not inclusive of all our academic entry requirements.

If your country or qualification is not listed above or to find out more, [please scan the QR code.](#)

\*All UWA College applicants must show evidence (e.g. high school transcripts) of a minimum pass grade in Australian Year 10 Maths or equivalent. There may be additional subject-specific requirements depending on the intended progression degree program or major. All Diploma in Engineering applicants must meet subject-specific admission requirements.

# Dates and prices

The cost of your program may vary depending on factors including chosen pathway or program length. The following guide to costs provides an estimate of the cost of attendance for our pathways. For specific cost information, [scan the QR code](#).

Academic program trimester		
Dates	Orientation	Trimester
February Intake (Trimester 1)	Mon 05 Feb 2024 – Fri 09 Feb 2024	Mon 12 Feb 2024 – Fri 31 May 2024
