

NEIGHBOURHOOD INFORMATION

HALIFAX AND SUBURBS

East Coast Language College is located downtown on the Halifax Peninsula. The neighbouring suburbs are located between 30 to 40 minutes from our school.

HALIFAX PENINSULA

This is the cultural and economic hub of Atlantic Canada. Halifax is a port city and has a rich history. Halifax has many old buildings as well as newer structures such as the library, the convention centre, and the Curve, a condominium and sports facility, scheduled to be completed in 2019. There is a large post-secondary student population which contributes greatly to the character and vibrancy of Halifax.

CLAYTON PARK

Residential areas include a range of housing options from high density apartment living to mature, quiet neighbourhoods and tree-lines bordering on wilderness areas. The Canada Games Centre is located in the area and is an excellent recreational facility for sports, camps, and fitness classes. Residents can also find a large shopping area in nearby Bayer's Lake.

BEDFORD

Bedford is a well-established suburban neighbourhood at the northwestern end of the Bedford Basin. There are several grade schools in Bedford, making it an excellent location for families. Bedford is also a growing and dynamic business community.

DARTMOUTH

Dartmouth, known as the 'City of Lakes' has picturesque public areas. It has a vibrant downtown core, residential neighbourhoods and commercial and shopping areas. It is also home to the NSCC Waterfront Campus, commercial shopping district, and newly renovated sports facility.

****Please keep in mind that the school your child can attend depends on the school district where your apartment or house is located.*
