

English For Parents

Learn everyday English needed to thrive in Canada

About the Program

English for Parents (EP) provides a solid English foundation for parents of school-aged children. This unique program offers a convenient schedule for busy families so when your children are in school, you are too! Students in the English for Parents program will have the opportunity to learn English for everyday use through role plays, discussions, presentations, and outings.

Testimonial

Oxford International Halifax is close to downtown elementary schools, making it easy to drop off and pick up children while balancing your studies and parenting. Also, the connection between teachers and students is close, and it is a significant advantage to learn in a friendly atmosphere where it is easy to ask questions, and you don't have to get nervous during class. Thanks to that, I can enjoy my Halifax life without giving up on improving my English.
