Our Learning Philosophy

With a 34-year history of exceptional language development, our learning philosophy focuses on three key areas that ensure our students are supported and have the tools they need to learn how to use English in meaningful ways in their lives.

Our learning philosophy presents a modern twist on the best language proficiency methods:

Enriching Learning Environments

Academic success, progression, and a welcoming environment are at the heart of our language schools.

- ✓ Weekly counselling, bi-weekly 1:1 progress reviews, and Personal Study Plans and assessment help keep students on track and progress quickly.
- ✓ In-house accommodation programmes ensure students feel safe and welcome.
- ✓ An excellent nationality mix across all our schools helps introduce students to new cultures and create a dynamic learning environment.

Premium Academic Quality

When students study with us, they develop English language skills for use in today's world.

- ✓ We focus on English for use in the 21st century to ensure students' varied English language learning goals are met.
- ✓ Our educators have a wide range of teaching experience and certifications, bringing quality instruction to the classroom.
- ✓ We exceed the educational standards set for independent schools with governing bodies in the UK, Canada, the USA, and Australia.
- ✓ Students use the Spark platform to access their engaging course material, digital tools, and receive just-in-time access to their course performance and language progression.
- ✓ Quarterly in-house quality control checklists ensure an environment of learning excellence.

On Course Progression

At Oxford International, academic progression is at the heart of our language schools. We invite you to dive into an enriching student life experience while enjoying exceptional opportunities for advancing your educational journey.

Learning Doesn't End in the Classroom

We believe some of the most important learning happens outside the classroom. That's why our students enjoy a range of extracurricular activities and excursions, allowing you to explore the rich culture and history of your host city. From guided city tours to social events, these experiences not only provide a deeper understanding of the local community and its traditions, but they also help you enhance your language skills while developing lifelong friendships.

Personalised Learning and Academic Support

Our language courses are designed to provide you with a personalised, supportive, and dynamic learning environment. Whether you are a beginner or an advanced learner, our expert instructors will guide you every step of the way, tailoring their teaching methods to meet your individual needs. Through interactive lessons, engaging activities, group work, and authentic materials, we ensure that you develop the necessary language skills to confidently communicate in English and achieve your language learning goals.

Driving Student Success

Students have access to the National Geographic Learning Spark platform, an online learning environment with engaging digital tools that facilitates hybrid learning throughout the course. In addition, students receive a personalised programme, high-quality National Geographic Learning course material, and tutoring sessions as-needed to ensure each student gets the most out of their time with us.

Student in Melbourne School

The Oxford International Student Journey

1

FIRST DAY AT SCHOOL

Students receive a warm welcome and personally meet with the School Director of Studies, support staff, and teachers. They also enjoy a welcome tour of the school and local area, as well as receive information on supporting programmes and special activities they can enjoy during their time with us.

PERSONALISED STUDY PLAN

Our teachers provide continuous feedback and opportunities for students to identify their own strengths and areas for improvement, building student confidence and their ability to become independent learners outside of the classroom. Backed by the National Geographic Learning Spark platform, students will receive the highest quality of personalised education.

CUSTOMISED LEARNING

By leveraging our varied specialised electives throughout their studies, students can tailor their learning experience and focus. This includes learning new study skills, academic English, English language skills for business, and more.

2

CONTINUOUS LEARNING

Through our entertaining social programme, students get to meet and mix with their peers in informal, fun environments to practice their English language skills while exploring the local city. Students can also collaborate in the Study Club to further develop and practice their language skills in a group setting.

3

FORMAL ASSESSMENTS

Students benefit from continuous practice and formal speaking assessments every two weeks to identify and close any language skills gaps. There are also weekly opportunities to assess if they are ready to move onto the next level. Our educators develop and deliver our high-quality assessments, and many of our instructors are IELTS examiners or have developed our English Language Level Test (Oxford ELLT).

4

5

COLLABORATIVE COURSE REVIEW

Students have the opportunity to individually meet with their teachers on a bi-weekly basis to review their progress and performance. As part of our premium service, students also have access to the Director of Studies for additional support and guidance.

LEARNING OUTSIDE THE CLASSROOM

Teachers provide regularly-scheduled tutorials for students to identify English language goals, map out the steps needed to achieve those goals, and check-in on progression. This collaborative peer-to-student approach helps students lead their own learning journey and stay on track.

GRADUATION

Once students complete the programme, they receive official certificates of completion and can choose to take a formal English language test for personal, professional, or educational purposes.

OI ALUMNI PROGRAMME

Just because a student has graduated from our programme, it doesn't mean their journey is over! Our graduates are invited to join the Oxford International Alumni programme with access to newsletters and events. We love to stay in touch with our students and learn about their continued success!

6

General English

Private & semi-private lessons are available!

Our General English programme is specifically tailored to individuals who are seeking to improve their English skills for everyday life.

Whether you're a student, professional or aspiring global citizen, our General English programme provides you with the perfect opportunity to immerse yourself in an engaging and supportive learning environment.

Each day, you will participate in interactive classes and engage in lively discussions, collaborative activities, and various language exercises that develop your listening, speaking, reading, and writing skills. You will also have access to a range of high-quality, interactive, and engaging supplementary resources through the National Geographic Learning Spark platform. These resources will support your independent study and allow you to deepen your learning outside the classroom, ensuring maximum progression during your time with us.

General English in Australia

CRICOS Course Code: 099477M

Our General English programme in Melbourne offers the perfect balance of reading, writing, listening and speaking skills development with a focus on learning English for everyday life. Students study for 20 hours per week + 5 self-study lessons and homework, and can study across 5 levels (Elementary – Advanced).

Scale of Language Proficiency

Our Scale of Language Proficiency is an accurate reference to many other popular language proficiency tests around the world.

This framework helps students understand their individual skill levels so they can effectively communicate with their teachers regarding their learning objectives; it also guides our staff so they can help students achieve their desired goals.

Progress Chart

Estimated time to pass level at:						
Level	CEFR	Test Equivalences	20/18 lessons/ week	30/27 lessons/ week	40/36 lessons/ week	Learning Stages

IELTS Preparation

We offer a range of comprehensive IELTS preparation courses to help our students develop the key skills they need and will be tested on during the IELTS exam.

With our test preparation courses, students are prepared through a combination of language skills training and test practice. Each week is based on a relevant topic area, allowing students to deepen their experience and knowledge on a range of topics covered in that exam.

Students work through a combination of language skills training and continuous test practice to not only refine their English skills, but to also build their test confidence!

IELTS Preparation Courses Available

- UK:** IELTS Preparation Morning 20
- Canada:** IELTS Private & Semi-Private lessons
- USA:** IELTS Preparation specialised elective
- Australia:** EAP/IELTS Exam Preparation (CRICOS Code: 099479J)

Social Programme

At Oxford International, we pride ourselves on having an engaging social programme at each of our schools to encourage engagement with fellow students and the wider communities.

Our social programme managers organise events for every day of the week including tours, get-togethers, visits to historical locations, and more. The more students engage with one another and the larger community outside of the classroom, the more likely their confidence and level of English proficiency will improve.

Our social programme offers a variety of activities to suit all interests, including but not limited to:

Study Club

Water sports

Cultural events

Walking tours

Creative activities

Weekend excursions

Museum tours

Social evenings

Markets

We provide secure and welcoming accommodation that gives you the independence to explore. Whether you choose to live in a residence or homestay, we will ensure your stay with us is safe, comfortable and fun.

YWCA Hotel

Homestay

Immerse yourself in the local culture by staying with one of our safe and friendly host families. Experience the warmth of British, North American, or Australian hospitality while practising your English skills in a welcoming and supportive environment. Choose from Full-Board, Half-Board and Roomstay (Canada only) options!

Homestay in Oxford

Student Housing

Join a vibrant community of fellow students in our modern and well-equipped residences. Enjoy the convenience of a fully-furnished room, shared facilities, and an exciting social calendar to make new friends from around the world.

Residences

If you prefer more independence, our residences provide a modern, comfortable and private space where you can focus on your studies. Enjoy the freedom to cook your meals and create your own routines while exploring your city.

Residence Kitchen

Additional Services

We can also provide the following for an additional supplement:

- Special diet meals for homestay bookings
- Airport transfers (one-way or round trip)
