

Classroom Schedule & Delivery Mode

Lexis Training is introducing a new schedule for its Business, Entrepreneurship, Marketing and Project Management courses delivered across our 6 campuses.

Our Lexis Training vocational courses including Certificate IV, Diploma and Advanced Diplomas will be delivered in a newly designed format. In response to many students' requests for online live lecture access—allowing recordings and multiple viewings—we are pleased to announce that lectures will now be available online.

Online core lectures

Our online class delivers **6 hours of weekly live sessions**, led by expert trainers who bring their real-world experience to the forefront.

These interactive lectures focus on key industry insights and practical applications, preparing you comprehensively for your assessments.

On-campus Academic support

Enhance your learning with **14 hours of weekly Face to Face workshops and support at our campus**. These sessions are designed to focus on helping students to successfully complete their assessments.

Additionally, our dedicated support team is there to guide you through weekly readings and assessment completion, ensuring you have the individual attention needed to succeed.
