Property Overview:

Students are accommodated in single or twin rooms with shared bathrooms facilities. Accommodation and facilities are located in a single building. Other facilities include recreation areas, study rooms, music rooms and tennis courts. This 12-acre site is an oasis of calm that provides plenty of recreational space in one of the most popular areas of Dublin city. The residence has on-site security with controlled access, as well as secure access to each building and each student room.

Available from 27th August 2022!
