# LAND ACKNOWLEDGMENT

Niagara College acknowledges the land on which we gather is the traditional territory of the Haudenosaunee and Anishinaabe peoples, many of whom continue to live and work here today. This territory is covered by the Upper Canada Treaties and is within the land protected by the Dish With One Spoon Wampum agreement. Today this gathering place is home to many First Nations, Métis, and Inuit peoples and acknowledging reminds us that our great standard of living is directly related to the resources and friendship of Indigenous peoples.

## Here, we DREAM BIG and our students do BIG THINGS!

Niagara College (NC) is a leader in applied learning with programs that are enhanced by digital learning technologies, immerse students in practical and experiential exercises in partnership with regional, national and global industries that make our graduates world ready and work ready.

When you study at NC, you will engage with industry, study with students from over 90 countries and be taught by instructors who have real world experience in their field.

# YOU ARE INCLUDED

“I was able to work on-campus by helping international students with their questions and I did my internship with the college’s organization, NCTakeOff, which assists young entrepreneurs with their business plans. While studying at Niagara College, I was able to work off-campus organizing a job fair that gathered top businesses in the area and offered students part-time employment. Niagara College is a place that reflects their slogan, Applied Dreams.”

**Firas El-Zein**

Program: Business – Sales and Marketing Hometown: Beirut, Lebanon

## Working in Canada

- Work part-time during the academic year and full-time during academic breaks
- NC’s Career Services offer on-campus support to help you find a job
- Study hard to earn scholarship money to lower the cost of your schooling

*\*Detailed information about the current Key Performance Indicator results are available from the Colleges Ontario website at [collegesontario.org](http://collegesontario.org)*

*\*\*Please note that the most recent results were impacted by low response rate and as such the previous year is being noted*

## Work Integrated Learning

- Benefit from NC’s unique learning enterprises - on-campus businesses where academic excellence and an integrated teaching environment meet to offer a unique learning experience for students
- NC’s Research & Innovation Division supports economic development locally and beyond by providing innovative solutions for small and medium-sized businesses. With funding support from various regional, provincial and federal agencies, students and graduates are hired to work alongside faculty researchers to help industry partners leap forward in the marketplace
- International students worked in over 2,000 on-campus jobs, activities, and events in 2021-2022
- Nearly 10% of all international students had on-campus employment at Niagara College in 2022

## Your journey starts here.

“When I came to Canada, I understood half of what people said and couldn’t communicate my thoughts properly. My English is understood today because I studied in NC’s EAP program and now English has become my second language, which is a credit to my wonderful teachers. The EAP program helped me a lot with my post-secondary studies, with getting a job, and with being able to talk to people here.”

**Ingrid Vitalino**

Program: EAP, Construction Engineering Hometown: Brazil

## English for Academic Preparation (EAP)

- Improve your English for school or work

NC’s EAP will help you to...

- Get ready for post-secondary studies at Niagara College or other Colleges or Universities
- Improve your personal and professional development
- Build on your secondary school education
- Prepare for your future career
- Gain English skills for your life in Canada

*\*students are required to apply for a minimum of 6 months, however, based on their English proficiency skill level, students may study for as little as 2 months*

### EAP

**Duration:** 2 to 20 months\*

**Start Dates:** January, March, May, July, September, November

**Each level:** 7 weeks of study + 1 week break + 7 weeks of study = 4 months

Niagara College has partnerships around the world. Featured here is Jeonju University in South Korea.

“No matter what English level you have, Niagara College has a great range of study options and pathways to help you achieve your study goals. I highly recommend Niagara College and believe you will have the best possible experience with your studies.”

**Kim Jaehyun**  
General Manager, Jeonju University South Korea

## Year of Experiential Study (YES) Program

- Experience 1 or 2 semesters (4 or 8 months) of English as a Second Language (ESL) skill development and 1 or 2 semesters of post-secondary programming in a variety of program areas (4 or 8 months)

NC's YES Program will help you to...

- Reflect on your skills, abilities, and aptitudes to make a better informed choice about your future
- Explore career options available to you in many program areas through the program's customizable options to reflect your interests while enhancing your English language skills

**DID YOU KNOW?** This program is traditionally taken as a break between high school/secondary school and post-secondary education and is sometimes referred to as Gap Year.

## English Language and Culture Program (ELCP)

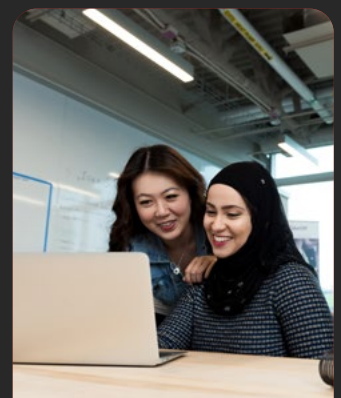

- Have fun learning English and exploring Canadian culture

NC's ELCP will help you to...

- Experience engaging educational trips and fun social events
- Improve general English skills through academic classes, especially speaking and listening
- Develop cross-cultural relationships with Canadians and other international students

### ELCP

Duration: 4 Weeks  
Weekly Classes: 20 hours
