

SAN FRANCISCO
STATE UNIVERSITY

From San Francisco State University, you can go anywhere.

San Francisco State University (SF State) was ranked in the top 25 for U.S. universities on Payscale and College Net's Social Mobility Index. That means we're among the best at making it affordable for our students to graduate and obtain good-paying jobs. Our graduates are now leaders in fields from journalism, creative writing and film to technology, science, business, government, and education.

Students on the International Year One immediately progress towards their degrees in a highly supportive living and learning environment.

STUDYING IN SAN FRANCISCO:

Silicon Valley is nearby, where the HQs of Apple, Facebook, Google, and Tesla can be found

Widely considered as the most important city in the world for new technology start-ups

San Francisco International Airport is less than 10 miles from SF State

Golden Gate Bridge is the most-photographed bridge anywhere in the world

Why SF State?

CAREER OPPORTUNITIES:

Many SF state graduates can find positions at local companies such as: Apple, Google, Wells Fargo, Sales Force, Twitter, Airbnb, Uber, Facebook, and Lyft, Oracle, and Tesla.

AFFORDABLE TUITION:

Based in San Francisco, with all that the city has to offer, SF State is also part of the California State University system – meaning it can offer very low tuition fees to international students

CITY DIVERSITY & CULTURE:

San Francisco is one of the most ethnically mixed and diverse cities in the USA. Including the oldest China Town in North America (the 2nd largest outside of Asia), Fillmore District, and Little Italy.

The International Year One

This program allows students to take credited SF State preparation courses alongside additional academic and English language instruction.

Full SF State student status, with access to all university facilities from day one

Small class sizes of approximately 18 students for supporting (non-credit) courses

Credited SF State General Education Courses
