MAKE YOUR WAY AT SUFFOLK UNIVERSITY

THE INTO SUFFOLK ADVANTAGE

Suffolk University partners with INTO to create a support system for international students. We offer Academic English, International Year One, Undergraduate Transfer Program and Graduate Pathway programs where you will work alongside your American peers and earn credit toward your degree while improving your English skills.

► All students enrolled in an INTO Suffolk Pathway program receive a degree-seeking I-20.

INTO Suffolk is located on campus and provides many student services, including:

- Personalized academic, language and cultural support
- Free airport pickup to welcome you to Boston
- Orientation activities to help you adjust to Suffolk
- Housing support to help you find the right place to live
- Tutoring and language support to encourage your success
- Social activities and trips with other students
- Visa and Immigration support

Suffolk University is a world-class private university that proudly welcomes students from all over the world to our Boston and Madrid campuses. We offer a wide range of undergraduate, graduate, and law degree programs that emphasize real-world learning experiences. Your education will go beyond the classroom with custom-built degree programs designed to lead to exciting careers.

By graduating from an established private university like Suffolk, you will:

- Be included in small-sized classes that enable individualized attention to help set you up for success.
- Connect with one of 100+ student groups, including numerous international clubs and organizations.
- Receive assistance with immigration issues and cross-cultural communication.
- Participate in class visits to companies that lead to networking opportunities for future projects and internships.
- Work with industry leaders to help you build a professional network to start your career.

GLOBAL EXPERTS

Get connected with experts in your field. Our world-renowned faculty members are published regularly in top-tiered journals. Their research helps them stay on top of the latest developments in business, and they pass that knowledge on to you.

INDUSTRY PROFESSIONALS:

Almost 25% of our faculty in the Sawyer Business School are non-tenure track—meaning they're actively involved in business, government, healthcare and nonprofit communities. Many also serve on corporate or nonprofit boards, consult, or are members of professional associations. The result? They're able to incorporate their real-life experiences into your coursework.

EXPERIENTIAL LEARNING:

Make the most of career opportunities. Gaining experience in a work environment is a great way to make the most of studying abroad. Your education will come alive in a city full of internships and volunteer programs that deepen your studies. Our proximity to major media outlets, theatre companies, sports teams, startups and Fortune 500 companies gives you access to inspiring industry leaders and innovators.

“We are big believers of experiential learning. The basic idea behind experiential learning is that you hear about something, you absorb it, you apply it and then essentially it gets reinforced and you remember it.”

Abu Jalal, PhD

Chair and professor, finance
Director of graduate programs in finance

“The professors and staff here (at INTO Suffolk) are very supportive and are there to help not only in academics but also with any personal stuff. Classes here are very hands-on and the location of Suffolk in downtown Boston has lots of opportunities for internships and OPT.”

Madeline, Indonesia

CAREER SUCCESS BEYOND THE TEXTBOOK

“INTO Suffolk had programs that helped me prepare some basic knowledge to officially progress to the Sawyer Business School. Those classes were really helpful for me because that’s how I graduated with a high GPA. Now I have a job! I chose this place because Boston is very well-educated. We have a high education rate in the US and it’s also a very safe city for international students.”

ACADEMIC HIGHLIGHTS

At Suffolk, you'll have a variety of options where it matters most: your academics. Under the guidance of nationally recognized faculty members and industry professionals, you can immerse yourself in a subject of your choice. With many areas of study to choose from, you can find subjects you are passionate about and designed for your career goals.

SAWYER BUSINESS SCHOOL

At the Sawyer Business School, you gain more than just business knowledge. You develop real-world skills. At Suffolk, we prioritize practical experience, so you will learn how to adapt to different work environments, think innovatively and lead others.

- Take advantage of Suffolk's location—you are within walking distance of the Financial District as well as major corporations.
- Network with government, legal and business industries.
- Participate in our job shadowing and alumni mentoring programs— gain résumé-building skills and extend your business network.

In 2022, the Bachelor of Science in Business Administration (BSBA) at Suffolk University's Sawyer Business School celebrates its 75th anniversary. Today, the business school presents more than 100 undergraduate courses and has 1,600+ undergraduate students from 72 countries studying at Suffolk's Boston and Madrid campuses and other locations around the world.

IMMERSIVE CONSULTING

Immersive consulting in the Sawyer Business School can help you gain confidence to work and learn in hands-on projects with top companies. You'll become empowered to address real-world problems that organizations are facing. With the support of faculty guidance, you can transition from being a student in a classroom to actively participating in operational challenges. Company partners for recent consulting projects include: Meta, Grubhub, General Electric, Boston Red Sox, Honeywell, Reebok, Biogen and SiriusXM.

40%

"We are proud that the Sawyer Business School supports the university's mission of providing access to education, regardless of one's particular circumstance, location or future passions."

Amy Zeng, PhD
Dean of the Sawyer Business School

GRADUATE BUSINESS CERTIFICATE

Elevate your business knowledge and your earning potential in record time. Keep up with today's job demands and expand your career through a specialization or pivot to a new path. Either way, you can earn your certificate in areas like business analysis, people management, sales leadership and SEO/SEM marketing in under one year.

COLLEGE OF ARTS & SCIENCES

Suffolk's College of Arts & Sciences offers courses in the arts, humanities, social sciences, mathematics and natural sciences. This includes an array of undergraduate and graduate level programs that provides diverse opportunities to study areas as highly focused as computer science or radiation science or as interdisciplinary as communication or environmental studies.

- Learn from faculty who conduct high-level research, publish books and articles and advise multinational corporations and governments.
- Write for *The Suffolk Journal* and *The Suffolk Voice*—two award-winning student publications—or join RamCam Productions, a student video club.
- Intern at top hospitals and health organizations in the US including CVS Health, Massachusetts General Hospital, Moderna Therapeutics and others.

LAW SCHOOL

With an emphasis on real-world practice and immersive learning, Suffolk Law regularly appears on lists of the most innovative law schools in the country. PreLaw Magazine calls Suffolk Law "an innovative force."

- #1 Best Law Schools for Legal Technology *PreLaw Magazine 2021*
- #4 Legal Writing *U.S. News & World Report 2023*

- Suffolk students have been finalists, runner-ups and winners for Law School Student of the Year National Jurist 2016-17, 2019-20, 2022

LIVING IN BOSTON

Boston has a reputation for strong academics, but it's so much more than that. Beyond that, Boston is a sought-after location for quality of life. Step out your door and you're within walking distance to various industry clusters. Museums, concert halls, shopping districts, booming restaurants—you can find it all in Boston.

Boston is one of the most walkable cities in the US. Our downtown campus is steps away from incredible city sights. There are eight subway stops within a five-minute walk from campus, making it easy to explore the local area. Study your coursework under the elm trees in Boston Common, get inspired among the blossoms of the Public Garden or take in the salty air of the Boston Harbor.

A CITY FULL OF OPPORTUNITIES

Home to Fortune 500 companies, Boston offers countless options for internships and employment after graduation. With leading companies and industries right in your backyard, Suffolk students can find employment at:

- 1,400+ financial firms, including Citi, Goldman Sachs, PayPal and Berkshire
- Nearly 1,900 law firms
- More than 1,900 technology companies, including Raytheon, Boston Scientific and Biogen
- Medical and healthcare institutions, such as Boston Medical Center, Massachusetts General Hospital, Brigham and Women's Hospital, Boston Children's Hospital and Beth Israel Deaconess Medical Center
- Political centers and nonprofit organizations, such as the Massachusetts State House, Boston City Hall, Boston Partners in Education and Community Works
- Other well-known companies including *The Boston Globe*, Boston Red Sox, HubSpot, Liberty Mutual Insurance Group, TripAdvisor and Wayfair

A WORLD OF OPPORTUNITY AWAITS

“In my second semester in the spring of 2019, I joined the Global Gateway Program.

There were about 60 students and I didn’t know any of them. We went to Madrid for a week to learn and have fun. I made a lot of friendships and it was an amazing trip. It really gave me the boost that I needed.

When I came back, I knew so many people already and many students told me to join their student organizations.”

STUDY AT SUFFOLK’S MADRID CAMPUS

Boston isn’t the only city we call home. Located in Spain, Suffolk’s Madrid campus offers students the opportunity to study in this world-class city. First-year direct entry students can choose to study in Madrid for up to two years before making the transition to Suffolk University in Boston. They can also have the opportunity to travel to Suffolk’s Madrid campus for one week in the spring semester of their freshman year as part of Suffolk’s Global Gateway Program. Political science and legal studies majors with a concentration in international relations can choose to spend all four years of their undergraduate degree at the Madrid campus. Any student can spend a semester or summer in Madrid, regardless of their major.

WHY MADRID?

Madrid, a city full of vibrance and culture, is Spain’s capital and home to a world of history and heritage. At the intersection of Avenida del Valle and Issac Peral, Madrid is near the city center and home to 150 students from all over the world. You can experience a brand new way of studying when you choose to learn at Suffolk’s Madrid campus.

- Immerse yourself in a new culture and language, enriching your study abroad experience and broadening your world view
- Learn Spanish and English whether you choose to spend a semester abroad in Madrid or longer
- Class sizes range from around 15-25 students, giving a personalized academic experience

Academic Programs

Find Your Degree. With a wide range of subject areas and admissions options, you can find the perfect degree for your chosen career. Undergraduate Admissions

We offer several routes to admission. With many exciting bachelor's degrees, flexible study plans and start dates throughout the year, we will help you find the option that's right for you.

There's no need to stress about where you start; just focus on where you're going. You can complete your degree at any stage. We don't design our programs for one type of student; our programs are built for everyone. Where you will begin depends on your grades and English level. Where you end up is where you want to be: graduating with a bachelor's from Suffolk.

Direct Entry: If you meet the academic and English language requirements for your degree program, you can apply directly to Suffolk University.

To apply, you will need the following required documents: declarations, high school transcripts, university transcripts (for transfer applicants), proof of degree, personal statement, accounting of time, passport, English test score and proof of enrollment (transfer student only), recommendation letters and portfolio (Arts and Design). An application fee may apply. For more information, visit www.suffolk.edu/admission/international-students

International Year One: International Year One allows you to begin earning credits toward your degree even if you don't meet the academic and English requirements for direct entry. You will receive additional support to help you successfully complete your first year and graduate in the same amount of time as direct entry students. Your program length is determined by your English language scores. For more information, visit www.intostudy.com/suffolk/programs

English Language Program: If you do not meet the direct or International Year One entry requirements you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to International Year One. Learn more on page 20.

US Undergraduate Education System

To graduate with your 4-year undergraduate degree, you will need to take the following classes:

Core classes: General education courses can include English composition, social sciences, humanities, history, mathematics and natural/physical science. These are typically taken at the beginning of your degree.

Major classes: These classes will be about the specific field of study you chose. They are typically taken toward the last part of your degree.

INTO Suffolk Success

Students who go through the INTO Suffolk program are Suffolk students with full degree-seeking status from day one. In the 2020-2021 academic year, 90% of students enrolled in a Pathway program met requirements to continue their degree program.

Undergraduate Transfer Program

Have you earned credits from another college or university and want to transfer to a US university? You can transfer directly into Suffolk University Boston or choose our Undergraduate Transfer Program (UTP), which is specifically designed to support international students through the process of transferring.

Why Choose UTP?

Choosing UTP provides a customized, cost-effective path to your bachelor's degree. Before your program starts, Suffolk will provide you with an estimate of credits that will transfer to the university. Once you arrive on campus, our friendly staff will be available to help you transition into life at a US university. You will also have access to helpful resources including academic, English language and cultural support. If you do not meet the English language entry requirements for the UTP, you can enter our Academic English program before progressing to either the UTP or direct transfer to Suffolk.

UTP Benefits

- Transfer of credits from your college or university-level classes to your degree
- Receive customized curriculum of university credit-bearing courses
- Quick turnaround time for offer (5-7 business days)
- Unofficial Pre-Arrival Credit Evaluation (15 additional business days after receiving offer letter)
- Guaranteed progression to any undergraduate program upon successful completion of your UTP
- Academic advising throughout the program including progression and student success advisors

Graduate Admissions

Based on your academic qualifications, there are many ways to start your graduate studies at Suffolk. No matter what path you choose, our 50+ degree programs blend classroom instruction with practical learning experiences that directly connect you to Boston's business, political and cultural landscapes.

Direct Entry: If you meet the academic and English language requirements for your degree program, you can apply directly to Suffolk University.

To apply, you will need the following required documents: declarations, university transcripts, proof of degree, passport, English test score, goal statement, recommendation letters (varies by program), résumé and interview (for selected majors). An application fee may apply.

Graduate degrees are competitive, and an extensive review of your application will be done. Please expect a longer turnaround for an admissions decision. For more information, visit

www.suffolk.edu/admission/international-students

Graduate Pathway: Our Graduate Pathway programs allow you to begin earning credits toward your degree even if you do not meet the direct entry requirements. The program will help build the academic foundation and essential English language skills you need to successfully move on to your master's degree. You'll receive the highest level of support with dedicated academic advisors throughout your program. Your Pathway program length is determined by your English language scores. For more information, visit www.intostudy.com/suffolk/programs

English Language Program: If you do not meet the direct or Graduate Pathway entry requirements, you can enter our Academic English program to improve your academic and language skills. Once you have achieved the required language level, you can progress to a Graduate Pathway program. Learn more on page 20.

Graduate certificates

If you are looking to improve your skillset, expand your knowledge base and advance your career, Suffolk's graduate business certificate programs will position you to succeed.

You will develop expertise in a specialized area, broaden your knowledge and enhance your professional profile to stay competitive in today's fast changing job market. Whether you plan to 'stack' multiple graduate certificates or use them as a gateway to a master's program, our graduate certificates will give you a competitive edge with quick results.

Our one-year graduate certificate program is especially designed for international students to meet full-time study requirements while in the US. Upon completion of the certificate, you will be eligible for one year of OPT. Additionally, if you decide to use your certificate as a foundation for a master's degree, you will be eligible for one to three years of OPT upon completion of your master's degree; non-STEM degrees are eligible for an additional year while STEM degrees are eligible for up to three years of work opportunity.

Your tailored knowledge from your certificate program combined with the global education and potential work experience will stand out among other applicants. See how your certificate can be valuable to your expertise and your employer.
