iCAS: one programme, one visa

Combine your Queen's University Belfast undergraduate degree with an International Foundation or International Year One in a single study plan on one visa. Choose from degrees in architecture, computer science, economics, finance and engineering-related subjects.

You won't need to renew your visa for the duration of your studies – and you can apply with a range of English language qualifications, not just IELTS.

Need to improve your English score fast?

Academic English will give you rapid progress of 0.5 to 1.0 IELTS point per term.
