

# flexible degrees for future careers

Choose an outstanding education in a diverse global community where ability is valued – not background. The University of Stirling offers flexible, career-led degrees on a breathtaking 330-acre campus, encouraging students from all over the world to be the difference they want to see.

## Start your journey at University of Stirling International Study Centre

You'll begin your studies at our study centre – a vibrant hub for international students at the heart of the University of Stirling's campus. Join our welcoming community of staff and students as you level-up your English language skills and gain subject-specific academic knowledge to prepare for success at university – and beyond.

**96%**  
of students feel  
prepared for their  
university studies  
(Annual Student  
Experience Survey 2024)

"The International Study Centre was the perfect choice for me as I was not so good at academic writing and understanding research. I graduated from the University of Stirling with a Distinction and am now working as a happy Artificial Intelligence Engineer. So, thank you to the centre and the University of Stirling for believing in me."

### Winfred, Kenya

Artificial Intelligence Engineer

- Pre-Master's
- MSc Artificial Intelligence

\* Stage 1 of study plan only

## Short Pre-Master's courses

In addition to our standard Pre-Master's pathway programme, we offer a range of 1-2 term options allowing you to begin your postgraduate degree as soon as possible.

- One Term Pre-Master's – combine your Master's degree with a 1-term Pre-Master's pathway in a single study plan.
- Pre-Master's: English and Study Skills – a 3-month English language and study skills course leading to a wide range of Master's degrees at the University of Stirling.
- Online Pre-Master's: English and Research Skills – a 6-month online course to develop your English language and academic research skills in preparation for a Master's degree.

## Need to improve your English score fast?

Academic English will give you rapid progress of 0.5 to 1.0 IELTS point per term. Flexible study options to suit you, on campus or online.
