Get an elite education for less. For 180 years, Queen's University Belfast has been shaping a better world through life-changing education and research.

Study in an affordable, thriving city bursting with career opportunities. Give your future the best start. Choose Queen's.

"The structure of my degree at Queen's gave me the opportunity to study a placement year in Hong Kong. This is something that I think made me stand out from other candidates when applying for jobs. I got a good job in London quickly after graduating."

Vicky, Hong Kong, China

• International Foundation

• BSc (Hons) Actuarial Science

iCAS – ONE PROGRAMME, ONE VISA

Combine your undergraduate degree with an International Foundation or International Year One.

- One visa for the full length of your study plan.
- Apply with a range of English language qualifications, not just IELTS.
- Choose from degrees in architecture, computer science, economics, finance and engineering-related subjects.

EXTENDED INTERNATIONAL YEAR ONE (ACADEMIC)

Don't quite meet the entry requirements of our International Year One? Complete a term of academic preparation first, then your pathway – all on one visa.

- For students between the entry levels of the International Foundation and International Year One.
- An extra term to build your academic skills and subject knowledge.
- Prepare for degrees in accounting, engineering, finance or management-related subjects..

Need to improve your English score fast?

Academic English will give you progress of up to 1 band per term.
