WHY MONTCLAIR STATE?

YOUR GATEWAY TO NYC OPPORTUNITIES

Located less than an hour from New York City, Montclair gives you easy access to world-class career, internship and experiential learning opportunities.

ELEVATED THINKING. ELEVATED PROGRAMS.

Explore 60+ undergraduate and graduate STEM-designated programs focused on in-demand fields.

COMBINED COMPUTER SCIENCE DEGREES

Combine a degree in computer science with cybersecurity and data science. You'll graduate with valuable skills in several rapidly growing fields.

STEM-DESIGNATED BUSINESS PROGRAMS

Our STEM-designated business programs allow students to qualify for the STEM-designated OPT extension. This means international students can work in the US for up to three years.

ONE-YEAR GRADUATE BUSINESS PROGRAMS

Our STEM-designated MBA can be completed in as little as one year. Other business programs offer accelerated options, allowing you to complete your degree in one to two years.

START YOUR CAREER WITH MONTCLAIR

We offer paid project experience with micro-internships, networking with our corporate partnerships and our Soar-to-Success mentorship program to help prepare you for your career in the corporate world.

"Montclair State University played a pivotal role in shaping my career as a software engineer and researcher. The [computer science] coursework offered both theoretical depth and practical exposure particularly in areas like software engineering, machine learning and cloud technologies which have been directly relevant to my current work."

Yamini | India
