Health & safety

Medical insurance | All students must have medical insurance for the duration of their stay in the UK.

Students need to organize their own medical insurance before they travel. Kaplan does not offer travel and medical insurance in the UK, but students can either use the link on the Kaplan International Languages website to book travel and medical insurance directly with an insurance provider, or they can choose their own.

If you get sick | If you get sick while in the UK you should visit a doctor. You can ask the Safeguarding team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local chemist for advice. Remember to bring any relevant insurance or medical documentation with you. You may need to register with a local doctor.

Protecting your belongings | We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by Kaplan homestay or residence insurance.

Under 18 statement | Kaplan recognizes its responsibility to safeguard and promote the welfare of students aged

under 18, within the UK legal framework and criteria of our educational oversight and accrediting bodies. We endeavor to ensure a safe, positive and pleasant study and home environment for all students. We show an additional duty of care towards our students who are legally minors, monitoring them more closely than other students and requesting all parents of Under 18s to sign a Consent Form.

- All Kaplan staff and host families adhere to our Safeguarding Policy, which includes training and regular guidance
- All staff and hosts in regular contact with under 18s are subject to rigorous recruitment procedures and necessary police checks
- Each KI school has a named contact person for under 18s who meets the students on a regular basis, explains the legal status of under 18s, monitors any accommodation issues and liaises with the home stay and students' parents if necessary
- We ensure there are activities in the school which are suitable for students under 18 to participate in and inform Under 18s about learning and socializing outside of the classroom

Medical costs

Medical costs are at the discretion of your local doctor or hospital. Minimum medical costs are as follows:

- Consultation with a doctor: £40
- Prescriptions at a chemist: £9.90 per item
- Dental treatment: £50
- Eye test or new glasses: £30

Emergency services

Call **999** in case of fire, medical emergency or if you need the police.

Laws

- No one under the age of 18 in the UK may buy or consume tobacco or alcohol, including beer and wine. It is against the law to buy tobacco or alcohol for someone you know is under the age of 18
- Driving under the influence of alcohol is a very serious crime and police make regular random checks
- You will need international ID to enter bars, clubs or pubs (e.g. passport, ID card, driving licence)
- Buying, selling and using drugs is illegal

Local customs

- Always stand in line and wait your turn when buying tickets, at a bank or post office, or waiting for a bus. Keep to the right when standing on escalators
- In the UK, it's not unusual for people to engage in small talk in public places, such as parks or while waiting in queues. This can be a great opportunity to practise English, but it's important to stay cautious. Do not share your address or phone number, and avoid accepting inappropriate invitations. While many people are friendly, some may prefer not to speak with stranger
- "Please" and "Thank you" are widely used in the UK. Always use them if you ask someone to do something for you, or if they help you or give you information
- In the UK, everyone, regardless of gender, nationality, ethnicity, religion, or background, is treated equally and with respect. We are committed to creating a safe and inclusive environment where all students feel welcome, valued, and supported.

Kaplan International Languages rules

- If you leave your Kaplan International Languages course, the government may revoke your student visa and advise you to return home
- You must attend all classes. If you do not attend your classes your representative will be informed. If a student is under 18, parents will be informed. If you do not then improve your attendance you will be sent home
- Be on time for all your lessons.
- Always tell Kaplan International Languages if you are going to be absent from school for any reason and tell your host family if you are going away overnight
- If you commit a criminal offence or have to be severely disciplined you will be sent home and no refund will be given. We will also inform the immigration authorities
