ECKERD EXPERIENCES THAT SHAPE CAREERS

ENGINEERING DUAL DEGREES

Earn dual degrees in applied sciences and engineering from Eckerd College and top partner schools like Columbia University or Washington University in St. Louis. Gain skills that make you stand out to employers and boost your career from day one.

NETWORKING NIGHTS

At Networking Nights, you can meet top employers on campus. Get access to internships and full-time opportunities across multiple industries.

RESEARCH ASSOCIATESHIPS

Work with professors on scholarly projects that matter through our Research Associateships. Every year, selected first-year students gain hands-on experience in such fields as biology, business, psychology, marine science and more.
